Burlington Township's curbside *Spring Loose Leaf Collection* is scheduled between March 27, 2023 - April 21, 2023. Leaves in bags or containers cannot be collected but can be taken to the Compost/Recycling Facility. Loose leaves, no branches or twigs, must be placed at the curb.

Tree branch collection will be broken down into sections according to trash routes. Branches must be placed to the curb prior to the starting date in your section since the truck will only go through each street one time. Please visit the Township website at <http://twp.burlington.nj.us/RecyclingCollection> for updates to the schedule.

Mattresses and box springs can go out with Bulk Collection **only** if wrapped in plastic. An appointment is required by calling the Public Works Office at 609-239-5909, before placing it at the curb. These items can also be taken to the Compost/Recycling Facility, and do not have to be in plastic.

Heavy Pickup – For items such as refrigerators, wood furniture, air conditioners and other large appliances (wood, metal, or plastic items included) or anything that does not fit inside your trash cart.
