President Schoenborn called the meeting to order and asked everyone to stand and join in the Pledge of Allegiance.

CERTIFICATE OF RECOGNITION PRESENTED TO JULIA HENSKENS AND NICOLE COMLY FOR THEIR GIRL SCOUT SILVER AWARD PROJECT

At this time Mayor Carlin spoke of how Burlington Township is a very unique town. We have a number of things that many other towns do not. We have a library at the recycling center, while that sounds like an unusual thing, you'd be surprised with how many people drop off books, pick up books and use the facility.

This was a project started by Councilman Green and our former Director of Public Works Mr. John Pinto. Over the years it has fallen in decline and these two young ladies took it upon themselves to come out and volunteer to rehab it and also designed a filing system we can maintain for our residents benefit.

Mayor Carlin then calls on Councilman Green who worked with the young ladies to say a few words.

Councilman Green spoke of what an honor it was to have these two young ladies approach council on the project.

August 23, 2016

Councilman Green spoke of the history of our award winning recycling center and its library. He stated that our former Engineer Robert Schreiber, was also involved in shelving and maintaining the library.

Councilman Green spoke of his own 30 years with the Burlington City Library Company and this is all very near and dear to him. Unbeknownst to him these two young ladies were regular contributors with shelving the books and were concerned with it falling into disarray. Being the green community that we are when they approached Council about the project aside from it being a Girl Scout project we thought it was a wonderful idea.

CERTIFICATE OF RECOGNITION

Presented to

JULIA HENSKENS AND NICOLE COMLY

The Mayor and Council of Burlington Township recognize and appreciate your initiative, hard work and determination in the makeover of the Township “Library” located at the Compost/Recycling Center on Lake Avenue.

Together with your friends, families and your colleagues from Girl Scout Troop 21073 your efforts have made the facility into a more user friendly site for our residents. The fresh colors, climate control, furnishing and easy arrangements of books add to the warmth of the library. This project demonstrates what your time and effort contribute to the Burlington Township Community and is a source of pride for you, your family, your community and the members of Girl Scout Troop 21073.

On behalf of a grateful community, the Mayor and Council recognize and applaud your efforts and congratulate you on a job well done.
