\_\_\_\_\_ Date \_\_\_\_\_ Signature of Applicant

APPLICATION FOR CONNECTION INTO WATER AND/OR SEWER SYSTEMS-continued

TECHNICAL REQUIREMENTS

*Laterals or service from the house to the main shall be of approved material.*

*The connection to the main shall be through an approved wye, saddle, or corporation stop. Water and/or Sewer Department representatives shall be present at the time of tapping into the Township main.*

SEWER:

*Under no circumstances shall any fixture be installed in a building lower than the front curb elevation, whichever is higher, unless special precautions are incorporated into the fixture installation to prevent surcharging of fixture from the sanitary sewer main from high flow or blockage. In any event, the Sewer Department will not be responsible for backups.*

ANY DETAILS NEEDED MAY BE OBTAINED FROM THE PUBLIC WORKS MAIN OFFICE.
