

## **A DISASTER HITS...**

Emergency responders may be overwhelmed

Water, electricity and cellular service may be interrupted

Recent disasters show that you may be on your own for 5 days or more

***Can you save your life? Your Family? Others?***

## ***We can help!***

The Riverfront Community Emergency Response Team (CERT) program offers **FREE** training in disaster preparedness and basic response skills such as fire safety, search and rescue, first aid techniques and how to be self-reliant. Emergency responders do their best to respond as quickly as possible, but it is also the responsibility of individual citizens to learn how to protect themselves, their loved ones, and their communities.
