

FREE EXCHANGE

Residents of Burlington Township are invited to a “**Free Exchange**” event at the east/west soccer field at the Green Acres Park on Old York Road on Cleanup Day, April 13, 2019.

Residents can bring items of value they no longer use and want to give away. Residents can rummage through the items brought by others and take what they want for free. The event is like a community garage sale, except all of the items are free. The primary goal of the event is to repurpose unused items that might otherwise be thrown away.

Residents can drop-off items they want to give away at the soccer field before the Post Cleanup Celebration scheduled for 12 pm. Volunteers from the Burlington Township Green Team will be present receive the items. Residents can return to the soccer field at the conclusion of the celebration to rummage through the items and take what they want for free. Items of value remaining at the end of the event will be donated to the Habitat for Humanity ReStore.

Do bring ... items you might give to a friend, like ...
