

NOTICE TO ALL TOWNSHIP RESIDENTS AND BUSINESSES

Due to the continuing severe weather, the Township is implementing an odd/even watering schedule effective immediately and in force until further notice.

Watering of properties and washing cars having even numbered street address will be permitted on even numbered days of the month with the similar schedule for odd numbered street addresses and odd number days of the month. Watering may occur at any time during the scheduled day. Please adjust automatic sprinkler systems accordingly.

Thank you.
